

McDowell Mountain Gynecology

Patient Waiver for Non-Covered Services

This waiver is to inform you that if you are having a “Wellness”, “Annual” or “Routine” exam performed in our office today it will be billed as such. This may include “Preventative” or “Routine” lab or pathology services. It is your responsibility to verify that your insurance covers the exam, pathology, lab, and specifications related to the terms and/or time periods. McDowell Mountain Gynecology is not responsible for verifying your insurance coverage or guidelines. In the event that the insurance does not pay, then you agree to be responsible for the balance due. Please note we will not rebill or resubmit for these services.
